"Tendría que conocer primero las tareas de cada empleado", dijo refiriéndose a Strahov donde, tras un largo periodo de (iii) anarquía, impera un nerviosismo comprensible.

A pesar de los escenarios catastróficos actuales que se vaticinan ante la (ii) próxima asamblea general, él cree que los delegados no viajarán en vano este jueves a Nymburk.

"Si el único punto de desacuerdo será (iii) cómo votar en la tercera ronda, sin duda lo lograremos superar.

— Reference

"I'd need to learn about the job descriptions of individual employees." That (v) was his message for Strahov, where the long period of interregnum causes understandable nervousness.

Despite current catastrophic scenarios (iv) accompanying the general meeting planned, he believes that on Thursday, the delegates will not come to Nymburk in vain.

"If the only questionable point is how to (v) perform the elections in the third round that is something we can get over."

— Translation

(i)

Despite the current catastrophic scenarios predicting that before the next general assembly, he believes that the delegates will not travel in vain to Nymburk this Thursday.
